

# 15<sup>TH</sup> ANNUAL COLOSSAL CAVE OMNIUM CRITERIUM & ROAD RACE

## Master 35+ and Master 45+

Due to some oversight in the OMNIUM we are SPLITTING the Master Men 35+ and Master Men 45+.

The oversight is the Master Men 45 + race in the first wave 54 miles and the Master Men 35+ race in the second wave 63 mile.

We are adding a separate payout for Master 45+ and keeping the current one for Master Men 35+ in the OMNIUM

As for the Criterium the Master Men 35+ and Master Men 45+ will race together and scored together and have one pay out.

As for the Road Race the Master Men 35+ and Master Men 45+ will race separate and will be scored separate with two equal pay outs.

As for the Omnium the Master Men 35+ and the Master Men 45+ will have two payouts both equal. The payout would be 1st -\$100, 2nd - \$50, 3rd - \$30, 4th - \$20, 5th \$10 for a total of \$210 to each.

The current prize list and flyer show the correct amount for the Criterium and the Road Race however it shows a combined for the Omnium. It will now be two however the flyer and prize list will not show it.

Thanks Brain Lemke for bringing my attention to this!
