

Notice to cyclist coming from Phoenix I-10 has some construction areas listed below:

Construction between Naviska and Eloy (SB) (October 10, 2008 - December 11, 2009)

Road widening near Tucson (SB) (March 12, 2007 - July 30, 2010)

If you are driving to the Time Trail Start on I-10 Saturday morning when you get to Exit 254 you will want to stay to the left as this will allow you to travel through downtown Tucson without having to stop. If you exit you may have to stop at 8 intersections. . So stay to left to stay on the Interstate.
